

Are You Connected?

Show your new leaders where they are hitting and missing the mark.

What *Are You Connected?* is:

- An assessment of the new leader's navigation of corporate culture, team effectiveness, relationships
- A web-enabled multi-rater survey
- Developed in Fortune 500 companies (based on New Leader Effectiveness Research)
- Most effective when combined with a structured and integrative executive onboarding/alignment process

How you benefit:

- Help new leaders succeed -- add a proven, effective tool to your toolkit
- Identify how your new leaders are succeeding and where they may need help
- Give new leaders feedback early enough to change
- Increase new leader retention and speed time to performance
