

Are You Connected?[®]

Show your new leaders where they are hitting and missing the mark.

What is *Are You Connected?* [®]:

- An **assessment** of the new leader's onboarding success, based on 7 onboarding indicators, including culture, building relationships, and business knowledge
- A 24-question, web-enabled, **multi-rater survey**
- Developed and used in **Fortune 500** companies (based on New Leader Effectiveness Research)

Benefits of *Are You Connected?* [®]:

- Identify how your new leaders are succeeding and where they may need help.
- Give new leaders quantitative and qualitative **feedback** early enough to change.
- Increase new leader **retention** and speed time to performance.
- Measure **impact** of your onboarding process.
