Customized onboarding solutions that do the job right.

When choosing the right leaders for your organization, you want to make sure they hit the ground running, heading in the right direction.

Effective onboarding processes increase the likelihood your new talent will be engaged and remain with your organization longer.

Most organizations have some type of onboarding process. However, many are not getting the results they need.

At Connect the Dots, we offer unique

onboarding solutions that are customized to give your leaders the foundation for success. Our onboarding processes provide key knowledge, develop critical relationships, and deliver early feedback.

These vital steps give your best people the advantage they need for a winning performance.

It's a competitive market out there and your organization needs people who can integrate quickly. With Connect the Dots, you get the job done.

Engage your best people. Give them a solid start. Boost performance, integrate them effectively and retain them longer.

Connect the Dots consultants are recognized experts in leadership onboarding. We work with organizations to help them surface the business case for purposely supporting leaders as they transition into both an organization and/or new roles. We then work together to determine the best solution, which can include one or more of the following:

- Building the business case
- Onboarding systemic approach – **building connections®**
- Onboarding Coaching – **on target®**
- Early Feedback Survey – **are you connected?®**
- **Team Alignment** - team sessions designed to get the new leader and her team up to speed quickly and effectively

We determine how to develop a blend of internal capacity and use of external expertise in order to sustain results that evolve with the business.

Our onboarding solutions produce a dramatic and measurable impact on employee productivity, retention, employment brand, service/product quality, customer satisfaction, and future hiring success.
