

building connections®

A CONSISTENT ONBOARDING EXPERIENCE EXPAND YOUR BUSINESS POTENTIAL, POSITION
A LEADER TO ALIGN WITH YOUR CULTURE, AND DELIVER ROI ON YOUR SELECTION INVESTMENT.

Why you should choose *building connections*®.

building connections® is a comprehensive web-based onboarding tool that creates a consistent and scalable onboarding solution for organizations in any industry.

HR partners, hiring managers and new leaders experience a customized dashboard from which to manage the onboarding program. Each person works from a roadmap that spells out time-based onboarding actions and gives links to resources that support those actions.

We provide targeted, timely surveys that offer immediate feedback about how the new leaders are doing. Event-triggered email reminders encourage participation and engagement from everyone who uses the tool. A win-win for everyone.

A consistent, customized onboarding experience for your new leaders.

If you're searching for an onboarding experience that delivers critical business knowledge, powerful tools for building key relationships, and an integrated process for receiving timely feedback, then you'll be happy to know we have the solution you're looking for.

building connections® is a focused, scalable and structured onboarding methodology without the rigid constraints.

It creates a consistent, customized onboarding experience that will allow your new leaders to flourish as they prove themselves in a new role.

Because of limited resources and pressure to deliver within most organizations, the onboarding process is often shortened.

New leaders often feel as though they are not in complete harmony with the organization's expectations or its culture.

building connections® is the tool that will make sure nothing slips through the cracks, giving your new leader and stakeholders all the support they need - so they deliver what you hired them to do.
